## **IT'S CARNIVAL TIME**

The biggest community celebration of the year

Welcome to Carnival 2009. It hardly seems a year ago that we were being buffeted by the gales at last years carnival, lets hope for better this time around.

The optional theme for the carnival is "Patriotism." We have booked several different attractions around the theme such as a Pipe Band, Irish Dancers, Chinese Dragon Dancers and a Samba-Reggae Band.

Remember that Hedge End Carnival operates without grants and little sponsorship yet still returns money to the community. In 2008 almost £6,000. The carnival relies entirely upon your generosity, just 50p from everyone watching the procession would smash the current record collection of £1540. Don't forget the draw please buy as many tickets as you can afford.

Make sure you come along to the gala show where there are some great attractions headed by Chris Doney who has twice been British Champion Bike Trial Rider and is still the only British rider to have ever won a round at the world championship. You will be amazed at what can be done on a bike.

The police are now refusing to offer any assistance with the carnival so you will find a lot of carnival marshals taking their place. There could be some minor alterations to the arrangements in the village centre please listen carefully to the instructions of the marshals your 100% co-operation is essential. You could even thank the marshals for enabling our carnival to continue for another year.

Remember that your carnival is always in need of your help. If you can do anything to help with what in recent years has been one of the best carnivals in the county please contact the organisers now and help us to keep Hedge End's greatest tradition alive.

Have fun.

*Nick Wise*

Chairman, Hedge End Carnival Committee
